WHICH IS IT?

Another Report in The News and Observer Which is Contradicted by Facts Furnished by Superintendent Ray.

Here is a little more of the desperate effort of the News and Observer to maintain its record for inaccuracy in reporting the proceedings of the Board of the Deaf, Dumb and Blind Institute: "Of course this sort of management will prove costly to the State's taxpayers. The pay-roll already shows \$1,136,70 more than last year. If managed as well as by the old Board it should be \$2,136.70 less than it is. Last

There is a great desire in year, after electing Mr. Ray as the head of the institution, Mr. Young was employed at a salary of \$1,000 for a special purpose, and the Board would have saved that \$1,000 this year.

The new Board awayd this \$1,000 der The new Board saved this \$1,000, decreased the salary paid Mr. Blair's successor \$400—effecting a saving in two positions of \$1,400, and yet the pay roll is already \$1,136.70 more than

last year.' It says Mr. Young was employed for a special purpose. This is rather an indefinite explanation to the taxpayers whose interest the News and observer seems to have in mind. How-

SENATOR BUTLER'S SPEECH.

Southern Railway at Round Knob is wise and proper. The Railroad Commission act, foreseeing that it would be dangerous for the Commissioners to be mixed up in the ownership of railroad or railroad property, gave the Governor the right to oust any Commissioner found to be in that condition. That law was passed by a Democratic Legislature and it was a wise law. It will not do for Democrats to the saling and regulate the came to bear a special message to them and to expose the plans of the enemy of reform and good government who have already opened the campaign more than a year in advance and are striving to pervert and side track the living issues of the bour by raising a false alarm over an issue that burn prison this morning.

It will not do for Democrats to the will be ease to bear a special message to them and to expose the plans of the enemy of reform and good government who have already opened the campaign more than a year in advance and are striving to pervert and side track the living issues of the bour by raising a false alarm over an issue that there were great economic questions.

Legislature and it was a wise law to have already opened the campaign more than a year in advance to be a special message to them and to expose the plans of the enemy of reform and good government who have already opened the campaign more than a year in advance the living issues of the bour by raising a false alarm over an issue that the ease to be a special message to them and to expose the plans of the enemy of reform and good government who have already opened the campaign more than a year in advance to be a star of the mand to expose the plans of the enemy of reform and good government who have already opened the campaign more than a year in advance to the enemy of reform and good government who have already opened the campaign more than a year in advance to the enemy of reform and good government who have already opened the campaign more than a year in advance to the enemy of reform and good government who have already op law. It will not do for Democrats to condone the offence of one of its members or to fail to give a Republican Governor due credit for a duty well performed. Neither will it suffice for Democrats to charge that Governor the condones the offence of one of its members or to fail to give a Republican formation from Garabelle announced last night that the filibustering expeditions are foremost in the minds of every honest voter and patricular there were great economic questions now before the public concerning both the State and the nation and that they were on the side of truth, and would lend their powerful influence in the proporties to there were great economic questions and the faith in the Church faith faith in the Church faith faith in the Church faith faith

the victory is in sight.

The Democratic party is hopelessly divided on every issue before the State and the nation. There are those who favor gold and those who favor silver, each faction high in the councils of the party, and strongly backed by prominent editors whose papers have a wide circulation. There are those who favor the lease, and those who oppose it, and each faction is backed by their own pet newspaper, yet they are all Democrats in good party standing. There are those who favor a reduction of railroad freight and passenger rates, against gold contracts, against free passes, against the powerful influence of the railroads and railroad lobbyist in corrupting the Congress and State legislaturary these are few
